		8:18 a.m.			<p>Court in session. Housekeeping matters discussed outside the presence of the jury. Counsel for Plaintiff informed the Court that he expected to call Deepak Ahuja, Joseph Fath, and Antonio Gracias to testify today; the Court had already ruled on evidentiary objections for Mr. Ahuja and Mr. Fath. Counsel for Plaintiff informed the Court that the parties had agreed on the deposition excerpts and associated exhibits for Mr. Fath. At Plaintiff's request, the Court then admitted Exhibits 39, 40, 41, 42, 44, 46, and 47 (over Defendants' maintained objections). The parties assured the Court that they would have the redacted version of Exhibit 121 ready by Friday, January 27. Counsel for Defendants informed the Court that they were withdrawing Exhibit 711, which they had originally planned to use with Mr. Gracias. Counsel for Plaintiff informed the Court that they were withdrawing their objection to Exhibit 318, which Defendants had sought to use with Mr. Gracias. Counsel for Plaintiff noted that they were not going to seek to independently admit Exhibits 165 or 178 with Mr. Gracias, although it was possible that they would use them to refresh recollection. As a result of these developments, there were no remaining evidentiary objections for Mr. Gracias. Counsel for Defendants informed the Court that Plaintiffs had streamlined the witnesses yesterday evening which Defendants appreciated. The Courtroom Deputy announced the trial time elapsed so far: Plaintiffs had used eight hours and eighteen minutes, and Defendants had used nine hours and thirteen minutes. The Court announced that the Jury would let the Court know by the break today whether the Jury could stay for an extra hour or ninety minutes on Friday.</p>

Defendants objected to the video deposition of Ryan Brinkman; objections overruled. Counsel for Defendants and Plaintiff noted for the record that the agreement between Defendants and Plaintiff regarding Mr. Brinkman's deposition excerpts was subject to the reservation of objections previously lodged with the Court. The Court confirmed with the parties that they had already submitted their evidentiary objections subject to the witnesses scheduled for the next day of trial.
		1:58 p.m.			Court adjourned.
